Dear Friends,

This past year has been a time of extraordinary transformation for The Jewish Federation of Sarasota-Manatee. With The Larry Greenspon Campus for Jewish Life fully under construction, new leadership roles for Shep and me, and the return of in-person events and programs, we are thrilled to share with you how we have continued to fulfill our mission of strengthening Jewish life, providing for those in need and promoting support for Israel.

Inside these pages of our Impact Report 2021, we hope you will see the impact that you have made possible. Because of this community, its committed volunteers, and our dedicated donors, our Federation is committed to strengthening our Jewish community every day. You have our sincerest thanks.

From mothers raising Jewish children on a mission for the first time since 2019 to gathering in person for the Mort Skirboll Jewish Film Festival to strengthening the safety net for those most vulnerable in our region, 2021 is a testament to our resiliency, fortitude, and pledge to building a strong community and better life for Jews at home, in Israel, and throughout the world.

We look forward to welcoming you to the reimagined campus in late 2023 and to sharing many more accomplishments as the Federation transforms for the future.

Sincerely,

Bruce Udell          Shep Englander
President          Chief Executive Officer
